

Long-Term Residential Programming

Located in a semi-rural region of Southern Maryland, our licensed and accredited California program offers individualized residential substance use treatment for adult men.

Length of stay varies to provide a stable and supportive environment ideal for men who are transitioning from a higher level of care.

Maryland Medicaid and most commercial medical insurances are accepted.

What We Offer

- » 3.1, 3.3, and 3.5 residential level of care
- » Gender-specific programming for men
- » Co-occurring disorders treatment
- » Case management & peer support services
- » Relapse prevention programming
- » 24/7 admissions and transportation
- » 3-6 month continuum of care
- » Phase-based treatment approach
